Dear John,

US Patent Application No: 10/595,675 based on
International Patent Application No: PCT/GB2004/004419
VEHICLE BARRIER

The above patent has now been filed in the US Patent Office, but to enable us to complete the filing I need you to sign both copies of the Assignment and Declaration, which are enclosed. Please note that your signature on the Assignment needs to be accompanied by two witnesses signatures.

If you could please sign and date these documents and return them in the stamped addressed envelopes provided, I would be really grateful.

Regards

Jurek
